

EXHIBIT B

Confidentiality and Security Agreement

I understand that the Hospital or business entity (the "Hospital") for which I work, volunteer or provide services manages health information as part of its mission to treat patients. Further, I understand that the Hospital has a legal and ethical responsibility to safeguard the privacy of all patients and to protect the confidentiality of their patients' health information. Additionally, the Hospital must assure the confidentiality of its human resources, payroll, fiscal, research, internal reporting, strategic planning information, or any information that contains Social Security numbers, health insurance claim numbers, passwords, PINs, encryption keys, credit card or other financial account numbers (collectively, with patient identifiable health information, "Confidential Information").

In the course of my employment/assignment at the Hospital, I understand that I may come into the possession of this type of Confidential Information. I will access and use this information only when it is necessary to perform my job related duties in accordance with the Hospital's Privacy and Security Policies, which are available on the Hospital intranet (on the Security Page) and the Internet (under Ethics & Compliance). I further understand that I must sign and comply with this Agreement in order to obtain authorization for access to Confidential Information or Hospital systems.

General Rules:

1. I will act in the best interest of the Hospital and in accordance with its Code of Conduct at all times during my relationship with the Hospital.
2. I understand that I should have no expectation of privacy when using Hospital information systems. The Hospital may log, access, review, and otherwise utilize information stored on or passing through its systems, including email, in order to manage systems and enforce security.
3. I understand that violation of this Agreement may result in disciplinary action, up to and including termination of employment, suspension, and loss of privileges, and/or termination of authorization to work within the Hospital, in accordance with the Hospital's policies.

Protecting Confidential Information:

1. I understand that any Confidential Information, regardless of medium (paper, verbal, electronic, image or any other), is not to be disclosed or discussed with anyone outside those supervising, sponsoring or directly related to the learning activity.
2. I will not disclose or discuss any Confidential Information with others, including friends or family, who do not have a need to know it. I will not take media or documents containing Confidential Information home with me unless specifically authorized to do so as part of my job. Case presentation material will be used in accordance with Hospital policies.
3. I will not publish or disclose any Confidential Information to others using personal email, or to any Internet sites, or through Internet blogs or sites such as Facebook or Twitter. I will only use such communication methods when explicitly authorized to do so in support of Hospital business and within the permitted uses of Confidential Information as governed by regulations such as HIPAA.
4. I will not in any way divulge, copy, release, sell, loan, alter, or destroy any Confidential Information except as properly authorized. I will only reuse or destroy media in accordance with Hospital Information Security Standards and Hospital record retention policy.
5. In the course of treating patients, I may need to orally communicate health information to or about patients. While I understand that my first priority is treating patients, I will take reasonable safeguards to protect conversations from unauthorized listeners. Whether at the School or at the Hospital, such safeguards include, but are not limited to: lowering my voice or using private rooms or areas (not hallways, cafeterias or elevators) where available.

6. I will not make any unauthorized transmissions, inquiries, modifications, or purgings of Confidential Information. I will not access data on patients for whom I have no responsibilities or a need-to-know the content of the PHI concerning those patients.

7. I will not transmit Confidential Information outside the Hospital network unless I am specifically authorized to do so as part of my job responsibilities. If I do transmit Confidential Information outside of the Hospital using email or other electronic communication methods, I will ensure that the Information is encrypted according to Hospital Information Security Standards.

2. I will only access software systems to review patient records or Hospital information when I have a business need to know, as well as any necessary consent. By accessing a patient's record or Hospital information, I am affirmatively representing to the Hospital at the time of each access that I have the requisite business need to know and appropriate consent, and the Hospital may rely on that representation in granting such access to me.

Using Portable Devices and Removable Media:

1. I will not copy or store Confidential Information on removable media or portable devices such as laptops, personal digital assistants (PDAs), cell phones, CDs, thumb drives, external hard drives, etc., unless specifically required to do so by my job. If I do copy or store Confidential Information on removable media, I will encrypt the information while it is on the media according to Hospital Information Security Standards
